

# Desoldering wick 0.80 mm 1.50 m

## General information

CHEM-WIK S1 0.8MM\*1.5MTR a non-activated, white rosin flux (in conformance with MIL-F-14256F, Type R) is laminated onto the entire braid to protect against oxidation and promote solderability. Ultra-pure, oxygen-free, copper braid quickly and completely removes solder from circuit boards and components. Its fast wicking action protects components from harmful heat damage.

## Specifications

Colour:	grey
Width:	0.8
Length:	1500

## Sales information

Order code:	<b>CHEM-WIK S1</b>
Product description:	Desoldering wick 0.80 mm 1.50 m
Brand name:	ChemWik

Quantity	LxWxH (mm)	Weight
1	45x10x45	5 gr.
25	50x50x230	133 gr.
1000	250x250x375	5540 gr.
